

# Room Parent Curriculum Night Cheat Sheet

Here is what you should cover in Curriculum Night:

\***Budget Voting Forms** - have the parents complete them and you can return them to the PTA office when you leave

\***PTA Membership** - If they have not signed up yet, encourage them to do so! The PTA sponsors so many wonderful things for the children through the year and it is all based on membership dollars to pay for them.

\***Classroom Donations** - You will be given more information via email but it will include volunteering for parties in the classroom and supplies for activities as they come up.

\***Science Force** - Held during school hours and goes along with their curriculum. Please stress the importance of parent volunteers. If the required number of parent volunteers do not show up, then Science Force may be cancelled for that class! Donations are always needed.

\***Carnival** - Sign up sheets will be out tonight. Encourage them to sign up if they have not already.

\*Coming Soon! Information about baskets for Fall Carnival. You will send out an email to the parents around Labor Day about the theme and other important information.

\*Sign-up sheets to get information and phone numbers (optional). Inform them that this is the primary form of communication between you, them and the teacher. All email addresses will remain confidential and phone numbers will not be shared without getting their information first.
