

Box Tops for Education Contest

Earnings Goal for 2011/2012 - \$2000

What:

School wide Box Top Collection Contest!

When:

Each month starting in September, the classroom in each grade with the highest number of Box Tops will earn bragging rights! At the end of the year, the top class in each grade which earned the most money will earn a special privilege!!

Why:

Our goal for the money this year is to provide more technology support for the classrooms! Money raised through the clipping of Box Tops will be used to purchase, or renew, software licenses for software such as Animoto, Spelling City, IXL, and more!!

How:

There is nothing to buy or sell for this fundraiser- just cut out the box tops that you find on the products that you already purchase and send them to into school. Each box top earns the school 10 cents! If each WCE student could bring in 3 box tops a month we will meet our goal of \$2000 by the end of the year! It's just too easy!!

How to prepare your Box Tops for submission to the classroom:

- Trim your Box Tops and put them in a baggie (max 50 per bag)
- The full expiration date must be visible and not expired.
- Write Student name, teacher & number of Box Tops on the baggie.
- Drop them in the classroom collection box.
- Don't forget to ask friends & relatives to help you out!
